

Inclusive Language Cheatsheet

From AllyBot.io - the inclusive language tool for Slack

*Instead of **guys** try **everyone, ya'll***

*Instead of **girls** try **everyone, ya'll***

*Instead of **sane** try **sensible***

*Instead of **sanity check** try **check***

*Instead of **dumb** try **foolish***

*Instead of **maniac** try **fanatic***

*Instead of **salesman** try **salesperson***

*Instead of **non-white** try **person of color***

*Instead of **master** try **main, primary***

*Instead of **dyslexic** try **person with dyslexia***

Try avoiding **obvious, simple & basic** - it might not be *obvious* to someone else!
